Total items listed in this report: 2332

- Style Notes:
1. Undecipherable or missing characters and/or digits are indicated with a tilde or swung dash (~) character.
  2. Editor's comments and/or additions to the text are shown in "[ ]" brackets.
  3. All pianos shown in the report were manufactured in Wurlitzer's DeKalb, Illinois, factory. However, any and all Wurlitzer North Tonawanda factory output, such as coin pianos, photoplayers, organettes, mortuary organs, and theater organ pianos, are specifically excluded from this report. Also excluded are blank unassigned serial numbers.
  4. The original ledger material has been slightly edited and obvious spelling errors and omissions corrected, but in all instances the original intent has been preserved. Otherwise the reader would be confronted with an endless number or annoying (sic) notations.
